Greetings! The League of Women Voters of New York State thanks you for committing to be a delegate at our upcoming 58th biennial convention in Albany. Your participation will help the League prepare to meet the challenges of the next two years.

This Pre-Convention packet is designed to help you get ready to participate as fully as possible. It includes the Convention agenda, the proposed LWVNYS 2019-2020 budget, the proposed program changes, the proposed bylaw changes and the proposed slate of officers and directors for the 2019-2021 biennium. Before you come to Albany, please read these materials so that you will be prepared to act on them when the convention convenes. This advance preparation is most essential since the Convention time is so short and you will want to use that time for interaction with fellow delegates and for caucuses. Also, when you arrive at Convention, you will receive additional materials, including the treasurer’s report and summary reports of state League activities over the past year.

Leagues whose members are committed to a specific program item or budget may wish to lobby for its passage. If you need procedural advice, the parliamentarian will be available; contact the League staff at the Registration Desk to arrange a meeting. One of the most effective ways to lobby for your choice is to set up and invite other delegates to attend a caucus. Such a caucus will help to establish parameters of the suggested change, the degree of support it can expect, and the floor strategy to help its passage. Early planning for your caucus is a must if you wish to accomplish your goals. Convention delegates are usually swayed by intelligent civil discourse, organization, timing, public relations, fair play and good humor. Just as importantly, a caucus can give its participants a feeling for when to push ahead and when to compromise or even quit. To start planning your strategy before Convention, you may wish to contact other Leagues who have submitted the same proposal or a similar one. This activity at Convention traditionally is both stimulating and fun. Please remember that state board members are able to attend caucuses only if specifically invited. We are also offering times for members who would like to hold an information session on an issue or topic; members will lead these sessions to educate the participants about a particular issue.

Finally, remember that Convention is a great networking opportunity. This is your chance to meet and talk with your state board and staff as well as with other local League leaders. Whether in the hospitality room, at meals, or in more formal settings, we all benefit from the personal interaction. We are a great, integrated team working together to make the League the best it can be.

Welcome to the 2019 Convention of the League of Women Voters of New York State when we will - drumroll, please - celebrate the start of our next century!

I really look forward to kicking it off right with all of you. Travel safely and come ready to learn, network, and party!

EXHIBITS AND SALES

Convention will bring together creative League members ready to share ideas and techniques that work! Your exhibits and/or products may offer the perfect solution to another League’s problem. Keeping in mind that imitation is the sincerest form of flattery, the state League encourages you to bring products and publications to sell and exhibits to share at Convention. There will be a fee of $25 for each table requested by a local League.

If your League wishes to sell any publications or merchandise, it should be prepared to staff its own table and cover any additional charges for special equipment rentals (such as VCR and monitor) and/or AV charges. All exhibits must be labeled with the local League name. All products and/or exhibits must be picked up by 2:00 PM on SUNDAY, June 9th.

Sales/Exhibit space is limited and will be allotted on a first come, first serve basis.
Contact Linda Bondi at the State Office if you’d like to reserve space in the Exhibit Room
Tel: 518-465-4162 or Linda@lwvny.org
PROPOSED CONVENTION RULES

A motion to adopt these rules will be made shortly after convention opens and a quorum has been declared. Amendments to this motion can be made at this time and require a majority vote for adoption. The rules as a whole (either amended or as given below) require a majority vote for adoption. A 2/3 vote is required to change them after they have been adopted.

1. Admission to the convention floor shall be limited to those displaying authorized badges. Doors are closed promptly when each session convenes. They will be opened periodically. Doors will be closed during a vote, and no one may enter or leave.

2. Seating in the Convention hall shall be divided into two areas: one for VOTING delegates and one for NON-VOTING delegates and VISITORS. All persons in the hall during sessions are requested to sit in their designated areas.

3. Announcements from the platform shall be made only by the Chair, the Convention Chair, or a deputy and shall relate only to Convention business or the welfare of the delegates. Notices to be announced must be given to the secretary in writing.

4. Delegates - Only delegates and members of the state board may make motions and vote.

5. Alternates shall vote only when taking the place of a regular delegate, wearing a delegate's badge that has been assigned by the credentials committee, and sitting in the delegate section.

6. Privileges of the Floor - Delegates, state Board members and those designated by the delegate body may speak.

7. Motions shall be made only by accredited delegates and members of the state board of directors. The mover shall obtain a motion form from the Page at a microphone, complete the form, and return it to the Page for distribution to the Chair, Parliamentarian, and person operating the viewgraph. The motions or amendments shall include the name and local League of the mover. There shall be no discussion or action on a motion until a copy is in the hands of the Chair. The Chair may waive this requirement.

8. Debate and discussion shall be limited to those granted the privileges of the floor. Only those standing at a microphone shall be recognized to speak. The Chair shall designate "pro" and "con" microphones at appropriate times and alternately recognize delegates standing at them. Each speaker shall be limited to two minutes. This time may be extended or shortened by a two-thirds vote of the delegate body. No one shall speak for a second time on a question until all who wish to speak have spoken once. No one shall speak more than twice on a question.

9. Voting - Only accredited delegates and members of the state board shall be entitled to vote. The Chair, unless otherwise directed by the delegate body, will decide which of the following methods of voting shall be employed:
   a. By Voice - Delegates vote by saying aye or nay
   b. By Standing - Delegates vote by standing
   c. By Division of House - Delegates stand and count off
   d. By Written Ballot

   When a vote is in process, the doors to the Convention hall shall be closed and no one may enter or leave.
10. **Action Motions** - An action motion is a means for the delegate body to speak in concert on a matter of importance to the organization. It proposes action on a legislative or administrative matter at the state level and directs the League to take a specific action (e.g., sending a letter to the Governor). Action motions shall be referred to and considered by the action motions committee appointed by the Chair at the opening session.

Action motions must be in writing on forms available at the Convention registration desk. Motions must be completed and turned in at the convention desk by 5:00 pm on Saturday. In order to be considered, proposers must meet to discuss their motions with the committee Saturday evening. To be recommended by the committee, the action motion must be consistent with League positions and must not conflict with ongoing advocacy work. The committee may also consider whether the action will help further an adopted League priority and whether the proposed action is likely to have a measurable impact on the outcome of the matter. Action motions recommended by the Actions Motion Committee require a majority vote for adoption. *Action motions not recommended by the committee require a two-thirds vote for adoption.*

11. **Miscellaneous Motions** - A speaker may request a Page at a microphone to use a colored card to request a point of order, a point of information, a parliamentary inquiry or a question of privilege.

12. **Consideration of Non-Recommended Program** - Any change in the proposed state program must be presented to the Convention as a non-recommended item. These items must have been submitted by the March deadline. They must be moved for consideration immediately after the presentation of recommended state program. The mover may make a statement, limited to five minutes, explaining the reason for asking consideration. The state board shall be allowed five minutes to present its reasons for not recommending the item. Only questions of clarification may be asked. There shall be no discussion or debate at this time. After all non-recommended items have been offered; votes on consideration on each will be taken in the order in which the items were presented to the Convention. A majority vote is necessary to consider non-recommended items.

13. **Adoption of Program** shall take place at the second convention session. Recommended items and non-recommended items voted consideration shall be debated and voted upon in the order in which they were presented to the Convention. A 3/5 vote is required for adoption of a non-recommended item. A majority vote is required for recommended items. Amendments to wording for editorial purposes, clarification, or emphasis may be made at this point but may not change the scope or meaning of the item.

14. **A Credentials report** shall be given by the credentials committee at the beginning of each session. The report shall include the number of delegates, alternates, and visitors. The credentials report shall be updated as requested by the presiding officer of the Convention or upon motion of the Convention.

15. **Elections** - The credentials committee shall present a final report to the Convention or the election committee before the election procedure begins.

16. **Promotional materials** may be distributed only by delegates and alternates wearing badges and only before or after a session. Official Convention materials and promotional materials relating to Convention issues may be placed on the chairs or tables prior to the beginning of a convention session.

17. **Smoking** is not permitted in the Convention hall.

18. **Rules** - After adoption, these rules may be amended or suspended by a two-thirds vote. Roberts Rules of Order, Newly Revised, will govern all matters not covered in the rules or in the bylaws.

19. **Minutes** - The minutes of the LWVNYS Convention shall be approved by the LWVNYS board of directors upon recommendation of a committee appointed to review and correct the minutes.

TIPS FOR DELEGATES

This workbook contains the information necessary for full and informed participation in Convention debate and decision-making. Please be sure to read it and bring it to Liverpool with you.

Convention Conduct: Sessions begin promptly. The Order of Business (Agenda) adopted at the opening session will be closely followed. In order to fulfill your responsibility to interpret and report Convention action to your own League and to represent it accurately, you should be seated before the opening time of each session and remain until recess or adjournment. Delegates are un instructed and make decisions based on their best judgment in the light of Convention discussion. As a representative of your local League, however, you should know the thinking of your members. You should see that their opinions are adequately and fully presented during debate.

Discussion and debate are the most important parts of a League Convention. However, delegates should exercise self-discipline if the time schedule is to be maintained. If a previous speaker makes your point while you are waiting to speak, either sit down or say, "I agree with the previous speaker." A delegate wishing to address the Convention should go to a microphone, wait for recognition, and then state her/his name and League.

All motions must be in writing and handed to the Page at the microphone for transmittal to the Chair before the motion is made. Help the secretary to prepare Convention minutes by giving the Page copies of your statements. Proposed non-recommended items must be properly worded so delegates understand what is involved and what the implications are for state program.

Caucuses are an exciting part of Convention. Attend one or more of them. Rooms will be available on Saturday evening for caucuses and other informal meetings. Contact the Convention registration desk in order to arrange for a caucus room. State board members do not attend caucuses; if you would like one or more state board members to attend your caucus, you must invite them.

Exchange of ideas and information among the delegates is most valuable. Split up your delegation when attending caucuses and other meetings.

Program adoption begins during the first Convention session with the presentation of the program proposed by the state board. Questions for clarification only (e.g., the extent, meaning or timing of the item) may be asked at this time. The Chair will rule out of order any discussion on the merits of the item.

After the state board's proposals are presented, delegates may move consideration of non-recommended items submitted by local Leagues during the program making process. A delegate moving a non-recommended item is limited to five minutes for its presentation.

Editorial changes in recommended items (changes in language which do not change the meaning or scope of the item) should not be proposed at this time. If necessary, the Chair will rule as to whether a suggested wording constitutes an editorial change or a non-recommended item.

The "PROPOSED 2017-2019 LWVNYS PROGRAM" in this Kit contains all of the "Recommended Items."

(a) A delegate wishing to drop an item on the recommended program should vote against it. No motion is necessary.

(b) Any expansion of present recommended items involving new study or redirection must be moved as a non-recommended item. This can only be done if the expansion is included in the list of non-recommended items circulated in the May SBR and in this workbook.

All program motions will be voted on during the third session in the following sequence:

1. The state board's recommended proposals.
2. Non-recommended items voted consideration in the order in which they were presented to the Convention.

When an item is brought up for final debate and vote, motions to amend its wording may be made. These changes may be editorial, for clarification or for emphasis, but may not limit or enlarge the scope of the item. A majority vote is required to amend and the proposed amendment is acted on before the final vote on the item is taken. If a delegate intends to move an editorial change, it would be helpful to indicate this during the free discussion period.

Items recommended by the state board require a majority vote for adoption; non-recommended items require a 3/5 vote. (Bylaws, Article XI, Sec. 3)

GET TO KNOW YOUR NEW BOARD OF DIRECTORS

Suzanne Stassevitch - President

Voter Service is a first love, especially with first-time voters and the speaker’s bureau. At LWV of San Francisco (LWVSF), 1st VP for Voter Services, Suzanne represented the League on the SF County Ballot Simplification Committee, provided access to voting materials city-wide in English, Spanish and Chinese through local newspapers, and coordinated vote-by-mail promotions and ranked choice voting education. As a member of the League of Women Voters of California Board in 2009 – 2013, she participated in a statewide education campaign supporting application and processes of the newly established California Independent Redistricting Commission. In 2012, Suzanne led a team to resurrect, revise and publish the LWVC Guide to California Government.

Moving full time to NYC in 2013, Suzanne fulfilled an ambition to work as one of the LWVUS Observers at the United Nations. Her focus at the UN was on education and outreach to LWV members nationwide with a ‘think globally, act locally” program.

She has served on the Board of Directors for the LWVNYS since 2017 with eyes on the future of the organization; updating processes, website platforms and National meetings and as well as a member of the LWVNYS nominating committee. She also serves on the board of LWV of the City of New York and as a LWVUS Shur Fellow, promotes Diversity, Equity and Inclusion in our organizational and programmatic planning.

Suzanne has worked and supported the arts her entire life; she never met an art she hasn’t tried or liked. She holds graduate degrees in Theatrical arts and her career, before the League, was primarily in the Costume and Wardrobe Departments in the San Francisco Bay Area Theaters, Ballet and 23 years with San Francisco Opera. Since 2001 her activities have been redirected toward Adult Literacy, the League of Women Voters and study/practice to development of her own work in textiles arts.

She believe the League’s mission is as vital today as it ever was and would like to be part of retooling the League to meet the challenges of today and to engage more people in ‘Making Democracy work” for everyone. Working with the League has offered her many opportunities to work in different communities, take on tremendous challenges, and experience personal growth for which she is deeply grateful.

Judie Gorenstein – 1st Vice President/Voter Services

After retiring from social work, Judie was looking for something meaningful to do and joined the LWV of Huntington in 2004. She soon became a co-chair of the voter service committee at LWV of Huntington and voter service chair of LWV-Suffolk County. In 2008 she was elected President of her local League and served in that position until June 2017 when she stepped down in order to have more time to spend with her five grandchildren, as well as time to devote to LWVNYS. This March, she moved to Hastings on Hudson and already has attended a Hot Topics Breakfast and met with some board members of the LWV of Rivertowns.

Judie had been extremely pleased to have been on the LWVNY board since 2010. Initially she was citizen/education youth program director and then in 2015 she was nominated and elected to be first VP of LWVNYS and Voter Service Chair. Judie has always seen voter services as core of the league’s mission. (It was what attracted to her to become active in her local and then county league.) As voter service chair, Judie saw her primary role as helping local leagues, MALS and ILOs run successful voter registration drives and candidates nights. She engaged members of leagues with surveys (which she was pleased so many
completed), teleconference calls, workshops and also a voter service google group. With politics becoming ever more partisan than ever, the challenge of not only being nonpartisan but perceived in that way increased. Leagues were encouraged to share their successes, their formats for candidate nights, invitation letters to candidates, as well as policies for taping. They have also been encouraged to share problems they encountered and concerns in order that leagues could learn from one another and the LWVNY could learn what local leagues needed to maintain the gold standard we have earned when it comes to voter registration and candidate events.

During the last two years, Judie with the help from other board members and of course from our local leagues, edited Road to the Voting Booth Part II and created a tool kit for candidate events and voter registration drives. She also encouraged leagues to put more effort in turning out the vote as well as creating good working relationships with their county board of elections. With the passage of new election laws in NY this year (including early voting to begin this October), Judie sees more opportunity for LWVNY and all our local leagues to work with our board of elections in educating the public. The LWVNY has long lobbied for the election reform, which will certainly in the long run make voting easier and enfranchise more voters, but change and transition always present challenges. If elected as voter service chair and 1st VP for 2019-2021, she looks forward to working with additional board members to meet all the challenges we face. Road to the Voting Booth and other voting material will need to be updated to reflect the new reforms. This will be an ongoing process as reforms take place over the next several years and will take coordination but Judie believes “together we can and will do so much.”

**Sally Robinson – 2nd Vice President/Issues & Advocacy**

Sally started in the LWV Scarsdale and served as its president while simultaneously a member of the LWVUS Task Force on Trade Policy Update. After that she was New York State League Grassroots Lobby Director and then 1st Vice President/Advocacy and Issues in 2003-04, has held that job again starting in 2009 and served as state League President 2012-2015.

Sally is from the small town of Waller, Texas and was the first person in her family to go to college. After graduating from college and law school on the East Coast, she moved to New York City, where she worked as a tax lawyer. After her third child was born and she moved to Scarsdale, she switched to volunteer work, primarily with the League and as Chair of the Planning Board.

Sally is currently a member of the City of New York LWV where she moved in 2006 and completed a graduate tax degree at NYU Law School. She just moved from the Upper East Side to Greenwich Village with her husband, a college and law school classmate. They have plans to spend time both in the winter (skiing) and in the summer (golf) in their new second home in Utah now that they are empty-nesters.

**Regina Tillman – 3rd Vice President**

Regina Tillman became a member of the LWV Albany County in the Fall of 2016, responding as many did to the times, by seeking a structured way to respond to continued voter apathy. During that first year of membership, she sat in on the Board of Directors meetings, served on several of the Albany League’s committees, and took advantage of any training being offered as well as attending the NYS League Convention in Syracuse. One of the first tangible steps she took to assist the local league was to introduce to the Membership Committee, and to the BOD, a model of volunteer management referred to as I.S.O.T.U.R.E. This is a model that, when adopted, promises to aid in improved retention of volunteering members.
In June of 2018, Regina was tapped to become the 1st Vice President/Administration of the LWV Albany County. She also took the helm of her personal favorite committee, as Membership Committee Chairperson, vacated at the same time. Under Regina’s leadership, the Membership Committee had doubled its meeting frequency in order to tackle issues of member recruitment and retention, place their member interest form online to reduce the paper and mailing required, routinely plan Membership Meetings for the Spring and for the Fall, and address the BOD on volunteer management. Before June 2019, the committee plans to begin crafting an action plan for the LWV Albany County to pursue a more diverse and inclusive membership. She also is heading a LWV Albany County Fundraising and Development Committee, which she created with local BOD approval.

A native of Buffalo NY, Regina left for Cleveland Ohio in 1978 to begin on a path that would engage her for many years, beginning with a Coordinated Internship and MS degree program in Human Nutrition at Case Western Reserve University and the Cleveland Veterans Administration Medical Center. The VAMC in Buffalo made her the first job offer so “moving back home” with her husband and then 4 year old son in tow, she become a federal civil servant with the organizational mission of caring for “those that bore the battle”. Career opportunities allowed her to live in other areas of the northeast... Montrose NY... Providence RI... before landing in Albany NY in 1994 as VAMC Clinical Nutrition and Food Service Department Program Manager while taking on new responsibilities in the realm of hospital administration. Her VAMC career then transitioned into a 10 year association with the cooperative extension system, affiliated in NYS with Cornell University, and she continues to volunteer with a farmers market located in the primarily rural upstate county of Schoharie.

Seeing the role of workplace culture from different geographic locations while selecting, supervising, and managing a broad range of job categories, allows Regina to tap into her life experiences for the benefit of the League. She sees it as a win-win as she also gains from her association with the wide array of talent that League membership encompasses.

Jennifer Clark – Secretary
Jennifer is currently Vice President of the League of Women Voters of the Mid-Hudson Region. She joined the LWV of Mid Hudson Board in 2017 after moving to New York and has also been heading up her local league’s programming committee, working with other members to host such programs as “Fake News, Attacks on the Media, and the First Amendment,” “Running for Office,” and the “Voters’ Rally Breakfast.”

Originally from Poughkeepsie, New York, Jennifer got her under graduate and graduate degrees from Clark University before going to the University of Wisconsin Law School. After obtaining her law license, she spent several years clerk ing at a municipal court in Manhattan where she was tasked with learning the NYC campaign finance law, and then training the judges in the subject area. Jennifer left that position to take a clerkship with Justice Ann Walsh Bradley on the Wisconsin Supreme Court. Her decision to move was prompted by three high profile cases the court was set to hear: a case challenging a voter ID law, a case challenging domestic partnerships, and a case challenging anti-union legislation, known as Act 10. It was her work on the voter ID case that brought the League of Women Voters to her attention; they were the one challenging the law. When she moved back to New York, Jennifer promptly contacted the local league to volunteer. Currently, Jennifer is an assistant county attorney for the County of Ulster, where she researches proposed local laws, defends the County in civil suits, and is of counsel to various county boards and commissions.
Lori Robinson-Treasurer

Lori has been a Not-For-Profit accountant for 30 years and currently works full time for The Buffalo History Museum. She has always been passionate about good government and ran for Chautauqua County Legislature in 1993. Lori lived in Phoenix AZ for 15 years where she worked as an Election Site Inspector every chance she could. She has been a member of the Buffalo Niagara League since 2013 and serves as the Treasurer. Lori is delighted that she “gets to” lead Water Aerobics twice a week at the Buffalo Jewish Community Center.

Sheila Miller Bernson- Director At-Large

Sheila has served as Co-President of the LWV of New Castle with Jennifer Mebes Flagg since 2010. She joined the New Castle board as Voter Service Chair in 2007 after she moved to Chappaqua, having spent almost twenty-five years overseas in Turkey, South Korea, the Netherlands and Lebanon. While overseas she worked as a foreign legal consultant at Kim & Chang in Seoul and as a Grants Officer at the Office of Grants and Contracts at the American University of Beirut. Sheila currently works as a volunteer attorney at Pace Women’s Justice Center’s Family Court Legal Program representing victims of domestic violence. In 2016, Sheila was awarded the Kathryn Gurfein Writing Fellowship at the Writing Institute at Sarah Lawrence College. Sheila graduated from Pace Law School (JD), and Sarah Lawrence College (BA). She has one son who lives in Denver. She and her husband, John, live in Armonk, NY.

Jane Colvin – Director At-Large

Jane E. Colvin joined the League of Women Voters of the City of New York in 2006, one of the first things she did after selling her house in suburbia and moving into New York City. She immersed herself in League activities, becoming a member of the Legislative Action Committee and the Development Committee, and working on the Inside newsletter and other publications. She served as a member of the Management Team from 2008-2010, as Secretary from 2012 - 2014, and as Treasurer from 2014 - 2018.

After 31 years of working in international and private banking at Bankers Trust/Deutsche Bank, Jane determined that in the not-for-profit world, there were greater rewards than those associated with earnings per share. She joined The HealthCare Chaplaincy as Director of Marketing and Communications and subsequently, worked for The Interfaith Center of New York as a Development Associate in charge of special events and fund raising.

Jane is an active congregant at the All Souls Unitarian Universalist church where she’s been a member since 2006. She’s worked on the Nuclear Disarmament, Adult Education, and Nominating Committees and currently heads the All Souls Caring Team, dedicated to providing practical assistance to fellow members in need.

She has a BA from Cornell and a Master of International Affairs from Columbia University School of International and Public Affairs. A perpetual student, Jane has gone back to school, auditing classes at Hunter. She has a wonderful married son and daughter-in-law who live in California and spends her free time enjoying Manhattan.

ErinLeigh Darnley- Director At-Large

She graduated from Jamesville-Dewitt High School and earned a Bachelor Degree from Rochester Institute of Technology. Self-employed for over 20 years and recently retired, she volunteers with the Matilda Joslyn Gage Foundation, Fayetteville-Manlius Schools and the League of Women Voters. ErinLeigh has 3 children; the creative boys are 14 & 11 and her daughter is a spunky 8-year old. Her husband is an entrepreneur specializing in residential & commercial elevators, wheelchair lifts, and stairlifts. With her family, she enjoys camping in the Adirondack Mountains and boating on New York’s Finger Lakes. She also enjoys history, used books, jewelry, periodicals, and the NYS Fair.

ErinLeigh has been a LWV member for 3 years. With the League, she is Budget Director for Syracuse Metropolitan LWV and was on the NYS Budget Committee. In 2017, she was a delegate at NYS Convention in Syracuse, NY. In 2018, she attended LWV National Convention in Chicago, IL. In 2019, ErinLeigh was one of twenty LWVUS delegates attending the 63rd Commission on the Status of Women at the United Nations in New York, NY. She is also on the LWV US International Cases and Conventions Team.

ErinLeigh is dedicated to the League’s Legislative Agenda and can be spotted at local voter registration events, lobbying for election reform in Albany, or speaking to small groups about the ERA or the UN’s Sustainable Development Goals. She says, “I am looking forward to a future of thinking globally and acting locally with the League of Women Voters. Thank you for the opportunity to learn from and work with you on the state level.”

Kate Doran – Director At-Large
Kate Doran has been a member of the League of Women Voters of the City of New York since 1977. After moving to the city, and deciding she needed to be a more informed voter, Kate joined the “Brooklyn Evening,” branch. (In 1977 there were at least 3 branches of the LWVNYC in Brooklyn alone.)

Kate was a board member of the LWVNYC from 2010 to 2018; for the first 2 years serving as Chair of the City Affairs Committee. Currently Kate is the off board Elections Specialist, and a member of the Voter Service Committee. Kate became an Election Day poll worker in 2004. From 2006 through 2016 Kate was a Poll Site Coordinator. She closely monitors the NYC Board of Elections, attending their weekly meetings and reporting out to League Members, and various policy groups.

Kate graduated in 1974 from Ithaca College, with a BA in English. She has worked in government, banking, and private tutoring of middle school students. Kate enjoys reading, sewing, yoga, and volunteering at the Brooklyn Botanic Garden. She is also a passionate recycler, and strives to live a zero waste life. Kate and her husband own, and manage, Total Tennis, a year round tennis and racquet sports resort in Saugerties, NY. They have 3 daughters and 3 grandchildren.

Crystal Joseph – Director At-Large
Back in 2013, as she was researching the importance of civics, learning and contemporary movement building, Crystal was pleased to learn that the League of Women Voters was still leading the charge. After speaking with a league member, she was invited to a meeting and learned about all the amazing activities taking place in her local league around the importance of voting. As a member of both the Membership and Education Committees of the New York City League, Crystal used the knowledge of her fellow committee members to assist in completing research for her master’s thesis on movement building in the 21st Century. Crystal is a proud City University of New York (CUNY) graduate with a Bachelor’s of Science from
Baruch’s Marx School of Public and International Affairs and a Master’s of Arts in Urban Studies with a concentration in Public Administration from the School of Professional Studies. Presently, she is a doctoral resident at Concordia University-Portland pursuing an Ed.D. in Transformational Leadership. Crystal also serves as Vice President for the New York City League. When she is not studying or working with my students, as a program coordinator with the City University of New York, Crystal enjoys a good high intensity kickboxing class or visiting her second favorite urban haven, Philadelphia, PA.

2019-2021 NOMINATING COMMITTEE

Kate Jankowski- Nominating Committee Chair
Kate Jankowski has worked as a fund-raising professional for almost 25 years. She currently works for Catholic Charities of the Diocese of Albany. But, right before that, she served as the Director of Development at the League of Women Voters of New York State. That job became more than a job when she joined the League in 2013. She is currently serving as the Vice President of the League in Rensselaer County and enjoys volunteering for voter education activities and coordinating the Students Inside Albany student selection for her local League. She also served on the Nominating Committee for her local League for two years. When she is not working or volunteering for the League, Kate is the proud mom of a six-year-old boy and also volunteers with her local Adoptive Families of the Capital Region group.

Kathy Stein
Kathy helped to revive the St. Lawrence County LWV in 2009 and is currently President of the SLC MAL Unit. Kathy is originally from Plymouth, Michigan and she received her B.A. from the University of Michigan. She received her M.A. from the Johns Hopkins University and has over the years been an adjunct instructor at three of the four colleges in the Canton-Potsdam area where she has lived since 1986. She has for the past fifteen years been teaching part time regularly at St. Lawrence University in Art History and Film Studies. She studied classical ballet for twelve years, and violin, which she still plays, no doubt to the occasional annoyance of her neighbors.

Marylou Cooper Green
Marylou Cooper Green currently serves as President of the LWV of Westchester ILO. As president she has presided over the ILO’s monitoring of County government and the Board of Elections. She has directed social media campaigns, written fundraising and program literature, managed the part-time League office, and administered vote411 and the widely distributed printed voters guides for the County. Her favorite aspect of ILO leadership has been its role in support of the eight local leagues within the county, organizing presidential networking gatherings and mentoring of leadership. The creativity and passion of League activist is her inspiration. Prior to her service with the ILO, Marylou served as president of the LWV of Scarsdale. As with many Leaguers one of her first assignments was organizing a local candidate forum which opened her eyes to the workings of state, county and local government.

Prior to embarking on her career of community activism, Marylou served as a Vice President of Citicorp in the money markets and public finance sectors. With an MBA from Columbia University she has worked at several corporations, working primarily in finance and operations departments. An Air Force brat, she grew up in England, and the Northwest and Southern areas of the US. Moving to NYC upon graduating from in college she quickly became addicted to the culture, moxie and energy of New York.
Proposed Amendments to LWVNYS Bylaws
Deletions are in blue bolded font and in brackets; additions are in bold italics.

Board Recommended Bylaw Amendments

Article VI
Recognition of Local and Provisional Leagues

Sec. 4 Member-at-Large Units. When a group of people in a community in which no local League exists wishes to form a League of Women Voters, it may be organized into a Member-at-Large unit by the board under the requirements adopted by the board {adopted by the convention of the LWVUS}. It shall remain a MAL unit until such time as it has fulfilled the recognition requirements for local Leagues, or until is has been disband by the Board {or until its recognition has been withdrawn}. The Board has the authority to disband a MAL Unit, upon a vote of a majority of the MAL Unit members or upon a finding of the Board that the MAL Unit is not in compliance with the requirements for a MAL Unit. All funds held by a MAL unit from which recognition has been withdrawn shall be paid to the LWVNYS.

RATIONALE
These changes are to correct errors in the original bylaw and to clarify the procedure by which a MAL unit can be disbanded.

Article VIII
Meetings of the Members

Sec. 4 Council
a. Authorization for Action. The council shall consider program, methods of operation and the financial status of the organization, including a proposed or ongoing budget, as presented by the LWVNYS board. The council is authorized to make such modifications of the program and, if applicable, an ongoing budget, as shall be necessary to meet altered conditions, provided that notice of such action shall have been sent by the LWVNYS board to the members at least six weeks in advance of the meeting of the council. {A two-thirds majority of the votes cast shall be necessary to adopt changes to the program.} A majority vote shall be necessary to adopt an ongoing budget. The council shall transact such other business as shall lawfully come before it. {be presented}

RATIONALE
There are two changes to this subsection.
• The first omits the process for adopting changes to program at council. This change has been made because all process and procedures for changing program have been consolidated into Article X
• The second change clarifies the nature of business which can be considered at council.

Article X
Program
Sec. 2 Program. The program of the LWVNYS shall consist of:
  a. action to implement the Principles, and
  b. concerted study and action on those state governmental issues chosen by the LWVNYS convention, council or the LWVNYS Board. Local League, ILO, and MAL Unit boards and members may make recommendations to the LWVNYS Board for a program at any time for the LWVNYS Board to consider in its discretion.

RATIONALE
This section broadens the ability to recommend a program change to enable members to recommend changes to program and defines the time frame in which such recommendations can be made.

Article X
Program
Sec. 3 Convention or Council Action. The convention or council shall act upon the program using the following procedures:
  a) Local League, ILO and MAL unit boards may make recommendations for a program to the board at least three months prior to the convention.
  b) Any League that plans to propose the adoption or amendment of a state League position by concurrence at an annual meeting with a position statement of another League (or Leagues) shall submit the recommendation to the State board as specified in subsection a of this Article. The recommendation shall be accompanied by the proposed position statement, background information, including pros and cons on the issue and an explanation of the rationale for using this form of member agreement.
  c) The board shall consider the recommendations and shall formulate a proposed program which shall be submitted to the president of each local League and ILO, and to the chair of each MAL unit, at least six weeks prior to the convention.
  d) A majority vote shall be required for the adoption of the program proposed by the LWVNYS board.
  e) Any recommendation for the program submitted to the board at least three months before the Convention, but not proposed by the board, may be adopted by the convention, provided consideration is ordered by a majority vote and the proposal for adoption receives a three-fifths vote.

Sec. 4 Council Action. The council may modify or change the program as provided in Article VIII}
Local League, ILO and MAL units, or members may recommend to the LWVNYS Board a program for adoption at the convention or council provided that such item is submitted to the LWVNYS Board at least three months prior to the convention or council.

The LWVNYS board shall consider the recommendations and shall formulate a proposed program which shall be submitted to the president of each local League and ILO, and to the chair of each MAL unit, at least six weeks prior to the convention or council.

A majority vote shall be required for the adoption of the program proposed by the LWVNYS Board. Any recommendation for a program not proposed by the LWVNYS board that was submitted to the LWVNYS board at least three months before the convention or council, may be adopted by the convention or council, provided consideration is ordered by a majority vote and the proposal for adoption receives a three-fifths vote.

RATIONALE
Article X Sec 3 is eliminated and replaced by a new section 3 which establishes how action can be taken on program at both convention and council. It retains the provision that a recommendation for action which has been presented to the Board three months prior to convention or council but not recommended can be brought before the member meeting and establishes the requisite vote for adoption of program.

Article X Sec 4 is eliminated since the content is now covered by Sec 3.

Not Recommended Bylaw Amendment
Recommendation of LWV of Cortland County for bylaw amendment
LWV of Cortland County submitted a recommendation which stated:
Sec. 2 Program. The program of the LWVNYS shall consist of:
   a. Action to implement the Principles, and
   b. Concerted study and action on those state governmental issues chosen by the LWVNYS convention.

   When state governmental issues lie outside the scope of LWVUS positions, the board will obtain approval of new positions on state governmental issues and amendments to those positions, including change from neutral to pro or con, through local league concurrence, convention action or council action.

Although cognizant of the factors underlying this proposed change to the bylaws, the Board does not recommend the proposed change for the following reasons:

The purpose of the change is expressed by Cortland is to “avoid repeat of the 2017 circumstance where the Board of Directors of the LWVNYS adopted a position in support of a constitutional convention. . .”

The Board recognizes that there was disagreement about the Board’s application of the Con Con position. Therefore, it has recommended as the first item of program an update to the Con Con position to clarify the wording of this position. An update to this position would be a more appropriate response to the confusion and concern expressed by the Cortland League than the change in bylaws it has suggested.

In short, the subject matter of the proposal is better suited to a program change than a bylaw amendment, and the Board has recommended that the matter be considered under program.

These committees are appointed by the board.

f. The board may appoint an executive committee consisting of no fewer than five members of the board. member of the board may participate in a meeting by means of conference telephone or similar communications equipment that allows all persons participating in the meeting to hear each other at the same time; participation by such means shall constitute presence in person at a meeting.

Sec. 8. **Action of Board.** Any action required or permitted to be taken by the board or any committee thereof may be taken without a meeting if all members of the board or the committee consent to the adoption of a resolution authorizing the action. Such consent may be written or electronic. If written, the consent must be executed by the director by signing such consent or causing his or her signature to be affixed to such consent by any reasonable means including, but not limited to, facsimile signature. Sec. 2 **Recognition of Local Leagues.** The LWVNYS board shall recommend to the LWVUS board recognition of any group in the state which fulfills recognition requirements for local Leagues as adopted by the national convention. When such recognition is granted, the local Leagues shall become an integral part of the LWVUS and the LWVNYS.

Sec. 3 **Withdrawal of Recognition.** When a local League recurrently fails to fulfill recognition requirements, the board shall recommend to the LWVUS board that recognition be withdrawn. Final action rests with the LWVUS board. All funds held by such dissolved Leagues shall be paid to the LWVNYS after payment of all liabilities.

Sec. 4 **Member-at-Large Units.** When a group of people in a community in which no local League exists wishes to form a League of Women Voters, it may be organized into a Member-at-Large unit by the board under the requirements adopted by the convention of the LWVUS. It shall remain a MAL unit until such time as it has fulfilled the recognition requirements for local Leagues, or until its recognition has been withdrawn. The Board has the authority to disband a MAL Unit, upon a vote of a majority of the MAL Unit members or upon a finding of the Board that the MAL Unit is not in compliance with the requirements for a MAL Unit. All funds held by a MAL unit from which recognition has been withdrawn shall be paid to the LWVNYS.

Sec. 5 **Inter-League Organizations-ILOs.** Members enrolled in local Leagues may organize ILOs in order to promote the purposes of the League and to take action on county, metropolitan or regional governmental matters. The LWVNYS board shall recommend to the LWVUS board that such ILO be recognized, provided requirements adopted by the national convention have been met. The board has responsibility for
the guidance of ILOs. In the event of recurrent failure of an ILO to fulfill these requirements, the board shall recommend to the LWVUS board that it withdraw recognition from such ILO. All funds held by an ILO from which recognition has been withdrawn shall be prorated among its member Leagues.

A budget shall be adopted by a majority vote, except that the per-member-payment shall be approved as provided in section 2 of this article. The practice of preparation and implementation of a two-year budget may be adopted by a vote of two-thirds of the delegates present at convention. Should a two-year budget be implemented, in the interim year, the board shall report to the delegates at council on the status of the finances of the organization and budgetary items.

All other property of whatsoever nature, whether real, personal, or mixed which may at the time be owned or under the control of the LWVNYS shall be disposed of to such a person, organization, or corporation for such public, charitable or educational use and purposes as the state board in its discretion may designate.

Sec. 6 Indemnification. Every LWVNYS director, officer or specified representative of the LWVNYS shall be indemnified against all expenses and liabilities, including counsel fees, reasonably incurred or imposed upon them in connection with any proceeding to which they may be made a party, or in which they may become involved by reason of being or having been a director, officer or specified representative, or any settlement thereof, whether the person is a director, officer or specified representative at the time such expenses are incurred, except in such cases wherein the individual is adjudged guilty of willful misfeasance or malfeasance in the performance of duties. The foregoing right of indemnification shall be in addition to and exclusive of all other rights to which the indemnified may be entitled. Indemnification will be up to the amount insured.

At the direction of the president, a call for the convention or council shall be sent to the president of each local League and ILO, and chair of each MAL unit not less than three months prior to the opening date of the convention or council fixed in said call. The LWVNYS board may make an exception in the case of proven hardship. No delegate shall be entitled to more than one vote, and absentee shall not be permitted. Final determination of a delegate's qualifications or credentials shall be made by the convention.

The members of the LWVUS who are organized into recognized local Leagues, ILOs, and MAL units in the state of New York shall be entitled to voting representation at the convention as follows: each local League shall be represented by one delegate. The secretary of the corporation upon receiving the written demand shall promptly give notice of such meeting, or if the secretary fails to do so within five business days thereafter, any member signing such demand may give such notice. The meeting shall be held at the place fixed in the by-laws or, if not so fixed, at the office of the corporation or at such other place designated by the board. If necessary to comply with any law or regulation governing the LWVNYS, bylaws may be adopted, amended or repealed by the board of directors. Any bylaw adopted by the board may be amended or repealed by the members in conformity with the procedure hereinabove described for the adoption, amendment or repeal of bylaws by the members.
Program Planning Recommendations 2019-2021

The Board has reviewed the program recommendations submitted by local Leagues and recommends two specific updates for 2019 and the start of a multi-year project to update five major categories of state League positions. Sixteen local Leagues responded to the request for recommendations by the deadline of three months before convention. Specific responses to local League suggestions not recommended by the Board are detailed below.

The Convention Process for Adopting Program

As specified in the current LWVNYS Bylaws, proposed changes for program must be submitted to the LWVNYS Board at least three months prior to the convention. The bylaws further provide that the Board shall consider the recommendations and shall formulate a proposed program. A majority vote shall be required for the adoption of the proposed program. Any recommendation for the program submitted to the board at least three months prior to the convention, but not proposed by the board, may be adopted by the convention, provided consideration is ordered by a majority vote and the proposal for adoption receives a three-fifths vote.

Summary of Public Policy Positions, as provided in the program planning materials and at the start of Impact on Issues, is merely a convenient way to access some of our more significant full positions. The wording of Summary of Public Policy Positions, or the omission of a position, does not change board understanding or implementation of our positions. Therefore, direction to the board is recommended as the appropriate approach to implement a recommendation for a change in the wording of Summary of Public Policy Positions, as opposed to a recommendation for a change in position.

RECOMMENDED ITEMS

1. The Board is recommending an update of our Constitutional Convention Position. The current position begins with a sentence:

   “The League of Women Voters of New York State does not support or oppose the holding of a constitutional convention.”

   This sentence was the source of some confusion in the context of the 2017 state Board decision to support the Constitutional Convention referendum. Shortly after this position was adopted in 1993 the state Board applied it by deciding to oppose the 1997 Constitutional Convention referendum based on the extensive criteria contained within the position. However, during the most recent decision-making process the first sentence was interpreted by some members to foreclose a decision by the state Board to support or oppose the referendum. The update would propose deletion of the first sentence to confirm board responsibility for applying the position to support or oppose using the criteria set forth in the balance of the position and depending on circumstances at the time. The Board believe that an update would be a more appropriate response to this concern than the change in bylaws suggested by the Cortland League. See page 26 of this pre-convention kit.

2. The Board is also recommending an update on financing of Health Care. Two Leagues raised questions about the New York Health Act, its impact on Medicare in the state, and how it would be financed. Our position on Financing of Health Care pre-dates the Affordable Care Act. As more information is made available through potential consideration of the New York Health Act in the state legislature, including public hearings, this is a good opportunity to update our position with current information and make sure we have member understanding and agreement.
3. Finally, the Board is recommending updates to five different sections of Impact on Issues. We would begin a simultaneous update of our major positions in Election Law, Government, Judicial, Natural Resources, and Women’s Issues. The necessity of this kind of updating of Impact was a consistent theme of this year’s program planning suggestions. The goal would be to update and streamline for current relevance and clarity without making major additions or changes to state positions. This update is particularly needed in sections such as Election Law and Government where the Board has extensively applied national positions to state issues.

One major goal would be to make it easier to read our positions without extensive reference to the historical parts of Impact on Issues. Health Care would wait until the Financing of Health Care update was completed. Social Policy and State Finances (including Financing of Education) would be done after the first five were completed. These updates will be easier to accomplish by use of the streamlined process of updating positions approved by the Board in March.

If the Board’s recommended program is adopted, it is expected that the following local League suggestions will be addressed:

Under Update of five sections of Impact on Issues

PROPOSED VOTER REPRESENTATION/ELECTION PROCESS CONCURRENCE-SARATOGA

The proposed concurrence being recommended by Saratoga is based on the language of LWVUS and 14 state Leagues, is being proposed to other state Leagues, and is expected to be proposed to LWVUS during 2020 program planning for national.

Some material covered in this concurrence will be considered during the proposed update of the Election Law section of *Impact on Issues* but others such as alternative voting systems are important but given current state resources too complicated for a new study at this time. The Board’s suggestion is that a Voting Systems committee be formed to look at the proposed concurrence to help us understand the proposal, (which will be presented to the
national convention next year) and how it could interact with potential other election law studies. In this context the Voting Systems Committee would also look at the suggested studies of forced choice runoffs and alternative voting systems from Port Washington-Manhasset and Fusion Voting from Syracuse Metro.

DROP POSITIONS

Opposition to measures that contain a presumption of joint custody of the children - New Castle, Syracuse Metro. This position is still relevant because a law was introduced recently to make this presumption. To reverse our opposition would require a new study to make sure of member understanding and agreement.

BUDGET COMMITTEE REPORT

TO: Delegates to State Convention
FROM: Nancy Rosenthal, Chair, Budget Committee (LWV of SW Nassau)

On behalf of the Budget Committee, composed of Dorothy Winrow (LWV of Mid Hudson), Steve Koebrich (LWV of Saratoga), and state Board representatives Lori Robinson (LWVNYS Treasurer) and Sheila Miller Bernson and ex officio members, Dare Thompson, LWVNYS President, and Laura Ladd Bierman, Executive Director of LWVNYS, I present the proposed 2019-2020 LWVNYS Budget.

On the following pages are the 2019-20 LWVNYS Education Foundation budget and the 2019-20 proposed LWVNYS budget. In keeping with the Bylaws of both organizations, the Education Foundation (EF) budget has been approved at the March 2019 meeting of the state Board; the EF budget is included here for information only. The delegates are required to adopt a 2019-20 budget for the LWVNYS (League).

On the League’s proposed budget, you will see 4 columns: Full Year 2017-18; 2018-19 Budget; Projected Year End 2018-19; and Proposed 2019-20 Budget. Explanations of all the accounts are listed after the proposed budget pages.

First, you all need a little history. The League undertook the League Matters Campaign (a large fundraising campaign) in 2012 because we saw that the annual income of the state League was not enough to meet the expenses of our current staff – and what we wanted to be doing substantively (not just surviving, but actually leading in advocacy and education). From 2012 to 2015, we raised just over $400,000. We started using the new money in 2012 with the hiring of a part time development person (Kate) and a policy person (Sarah, Victoria and finally Jennifer). It was anticipated that the campaign funds would cover the increased staffing costs for 3-5 years during which we would increase annual donations to cover annual expenses or more likely, we would have to engage in another campaign as the Reserve Fund was being depleted.

Donations did increase, but not as much as needed to cover the annual expenses, and the state League began planning in 2017 for another campaign. The goal was to begin seeing donations in winter 2019 and continuing through the centennial and into 2021. Unfortunately, with key staff leaving, the momentum of the planning slowed down. This past December, the board decided that we just weren’t capable of accomplishing the campaign and decided instead that we should focus on increasing individual donations and seeking new donors.

This decision, however, had a significant impact on this year’s income as the state League still doesn’t have annual donations to cover annual expenses and the Reserve Fund is being depleted. We will need to use funds from the Reserve Fund to finish this current fiscal year in the black. With less in the Reserve Fund starting in July, we need to have a 2019-2020 budget that is balanced without using any reserves – and then hopefully raise more funds to begin covering our expenses on an annual basis.

LWVNYS Proposed 2019-20 Budget
Looking at the proposed budget and understanding the need for a balanced budget without using reserves, the first item you should know is that the Budget Committee did recommend a $3.00 increase in individual PMP ($1.50 in additional household members) to a total of $23 per member. Each dollar increase to the PMP brings in about $3,000 more annually to the state League so a $3 increase provides $9,000 in additional revenue next year.
In the Member Support accounts, much of the League income is from state PMP (per member payment). Membership has increased from last year (3%) and if the delegates approve the increase in PMP rates, PMP income is higher than last year’s budget. The PMP total in the League is actually only 97% of the expected PMP; local Leagues may use their grants management funds (EF donations) to pay half of their PMP to LWVUS and to LWVNYS. When they pay this way, though, the funds must remain in the EF and reduces the PMP income to the League. *As in the past and in an effort to increase income in the League, we ask local Leagues to pay as much of their PMP out of their regular local accounts and only use the grants management funds if truly necessary.* We propose 3% of total PMP to be paid out of the EF in the coming year.

Other organizations, such as CSEA and the NYS Bar Association, sometimes print brochures for us and this is included in the In Kind Donations income account. The League receives donations online through its website or through emailed requests; these are included in the Member Contributions account. Income received through our direct mail appeals, in March and June, are listed under Direct Mail Income.

Many local Leagues assist the Associated Press (AP) on election nights by obtaining voting results and reporting to the AP. The state League receives a stipend from this activity (income) but then distributes two-thirds of that income to the local Leagues based on a formula developed by the AP (expense account # 5162-1).

Between the 2 organizations (League being a 501c4 and the EF being a 501c3), there are a number of “transfers.” The EF reimburses the League for actual expenses that are education related or EF administration related, including salaries, so the transfers are income to the League and an expense in the EF budget (LWV Accounts 4125 and 4126; EF accounts 5125 and 5126).

On the expenses side of the League budget, you will see an expense for PMP; the state League pays LWVUS PMP for members at-large or members of a MAL Unit. The League also provides a small rebate to the MAL Units for dues collected by the state League, identified in the account, MAL Unit Support.

In the Account 5230, Technology, the biggest expense to the League is the website maintenance. We have an outside webmaster who is paid to update the website as we direct. Also in this category are the expenses for our website hosting, email subscription service (Constant Contact), and the license for the state’s database system (Little Green Light).

In the accounts 5200 for Payroll Related Expenses, no raise is currently proposed for the staff next year. Also, the Legislative Director position is not being filled; instead, we propose contracting with SUNY Albany’s Center for Women in Government and Civil Society for a Fellow in the spring to assist us with legislative activity during the legislative session. We did this in 2013 which resulted in hiring the Fellow fulltime for the following fiscal year.

Next year will include a LWVUS Convention and $4,000 has been included to pay for the Board and Executive Director’s expenses at that Convention.

**2019-20 Education Foundation (EF) Budget**

As mentioned above, the EF budget was approved by the Board of Directors in March 2019. The delegates at Convention do not approve this budget.

Before looking at the 2019-2020 budget, there are a couple of comments on the projected yearend of fiscal 2018-19. In account 5221 Professional Fees, you will see a large increase this current year. Those expenses are
the costs of creating the state League’s 100 year history book. The costs are offset by donations from members and board members included in accounts 4018 and 4020. You will also see a large increase in account 5281-12 Building Repairs. The outside of the building needed major work, repointing and replacing bricks and repainting the entire building. The costs, however, are being covered by a generous donation from a member included in the member donation account 4018.

Now looking at the 2019-2020 budget, in the Support Income accounts, there is an increase in the budget for the Member and Board donations from last year’s budget. We hope with our increased attention to donor retention and recruitment, we can develop more donors and larger donations. Community and corporate donations are typically for our Students Inside Albany Conference and received from corporate sponsors of the program. Some of this income is also from the charge to local Leagues who wish to send a second student to SIA (the first student is free).

We are proposing to organize the annual UN Event which is budgeted to result in net proceeds of $4,000 so you will see income budgeted of $10,000 (account 4119) and UN expenses (account 5117) of $6,000.

The fall Direct Mail appeal benefits the EF and is our largest mail appeal as this allows for tax deductible donations. We are proposing the same $30k as last year and hope to reach this goal with the increased attention to donor retention and recruitment this year. Donations are also in the Member and Board Contribution accounts which include online donations as well as gifts received without direct mail appeal return stub.

The League pays rent to the EF and another non-profit organization rents space in the 2nd floor of the League building. These rent amounts are included in the accounts 4280 and 4285. We are proposing an increase in rent received from our 2nd floor tenant. Also in Other Income is the Bibby Endowment Fund; this Fund was established in 2002 by a past member and each year a specified amount is withdrawn, based on considerations by the state Board, and shared with her local League, Rochester, as required in the Endowment.

As mentioned above, the League is reimbursed for actual expenses related to educational activities and administration of the EF. These amounts are therefore an expense to the EF (Accounts 5125 and 5126), and income to the League.

The office building is owned by the EF so all expenses related to the building, e.g., garbage, security and utilities, are paid by the EF and included in the General Administrative Accounts. Half of the expenses for the board (hotel and meals) are also paid by the EF.

In the past years, the proposed budget included the state League paying the full license fee for Vote 411 ($9,000) and only charging the local Leagues $25 each for their participation. With the current financial situation, the proposed budget has Vote 411 as an expense (account 5294) and income (account 4200) of $9,000. It is hoped that the state League will be able to support or subsidize payment of Vote 411, but if not, the local Leagues will only be able to access Vote 411 if they pay the fee to LWVUS themselves. (The license fee for the calendar year of 2019 was covered by an anonymous donor. The $9,000 in this budget would pay for the 2020 election season.)

Half of the LWVUS PMP for the state members is also paid out of the EF and included in this account 5294.

At the bottom, you will also see Other Income and Local PMP Grants Management. In this account is the income received from local Leagues’ grants management accounts to pay for a maximum of half of their PMP. This money has to stay in the EF and cannot just be transferred to the LWV, even though it is for PMP.
You will see at the bottom line of the EF, we are proposing taking over $1,306 from the Reserve Fund to balance the budgets.

We welcome your input and encourage your participation in the budget discussions at convention. There will be a caucus on Saturday evening if you have specific questions to discuss with the Budget Committee.

Thank you to the Budget Committee for their work in developing these budgets, and to the state League staff, Linda Bondi and Lisa Allendorph, for their help in generating the budgets.
