Our league has held Famous person Fundraisers for many years. This year our famous person was Carrie Chapman Catt. Each year it is someone different who has been an historical figure and made a difference in people’s lives. The format is brunch at one of our Saratoga restaurants or hotels; presentation of our featured speaker who answers attendee questions when he or she is done as if she is the person herself; and then raffle baskets. Our current chair for this program is Carol Glansberg. Any questions, let me know or contact Carol....

Saratoga

Doors will open at 11:30 a.m. for a meet-and-greet. Lunch will be served at noon and the program will begin at 12:30 p.m.

Green and Abram will explain the newly enacted election reforms including early voting in New York state, which will be implemented for the first time this year starting with November’s general election.

The early voting plan will allow for voters to cast ballots at three sites in the county during the 10 days before any election. The election commissioners will also cover election day voter registration, automatic update of people’s voter registrations when they move anywhere in the state, and also the new provision allowing young people to preregister to vote when they are 16 or 17.

Additionally the commissioners will describe the merging of federal and state primary dates, and discuss the impact of that change.

April 10 is the deadline to register. To register, call Mary Croxton at 673-5197. Lunch costs $15 with several choices available. Checks can be made payable to LWV of Chautauqua.

Our League has a contract with the County Board of Elections to open absentee ballots. We are paid $100 per volunteer and depending upon the number of absentee ballots they anticipate have anywhere from 8 to 20 volunteers. This year, with 2 primaries and the general election, we earned $3,800.

I look forward to meeting you at Convention.
